

Bradley Caine Clinic April 11, 2021

Hosted by the Blue & Gray Circuit

at Lemaliza Farm in Mercersburg, PA

Join us for a fantastic day of learning! Bradley Caine was originally based out of her family's Winter Place Farm in Salisbury, MD. There, she studied under and was coached by some of the industry's greatest horsemen and trainers such as Ronnie Beard, Nelson Pessoa, and George Morris. She and the team at Winter Place Farm showed many of the country's top hunters and jumpers to wins and championships at all of the major horse shows in the nation such as Devon, Washington International, and Harrisburg as well as many national championships. Her success ranged from winning in the pony hunter division on her pony, Checkmate, to producing Olympic caliber horses such as "Jet Run" and "Southside" (ridden by Robert Ridland in the Montreal Olympics).

Bradley now devotes her time to traveling and giving clinics/lessons all over the East Coast. She still enjoys helping aspiring riders to better themselves, both at home and at horse shows. She is still coaching both at local and rated shows and traveling to Florida for the show circuit every years also a 'r' Hunter judge and Hunt Seat Equitation judge with USEF.

Clinic section numbers will be kept small (4-5 riders) to allow everyone to have a good experience. We will offer sessions for the following: Flat work (w/t/c), Crossrails (max 18"), 2', and 2'6". We will offer multiple sessions at each height as needed. There is ample space for auditors and riders waiting for their slots to watch and still keep socially distanced. Please bring your own chairs! Masks are required whenever a social distance cannot be maintained. Masks are not required while mounted. Coffee, water, and some light snacks will be provided. Participants are responsible for their own lunch.

The cost of the clinic is as follows:

Circuit Members	\$75.00	Circuit Non Members	\$95.00
Auditors - member	\$20.00	Auditors - non member	\$30.00

All riders may have one free spot for an auditor. Membership forms must also be submitted and paid in order to be eligible for the member discount.
